Q-TEK™
MODEL 200
PIPE CHOKE™ TOOL

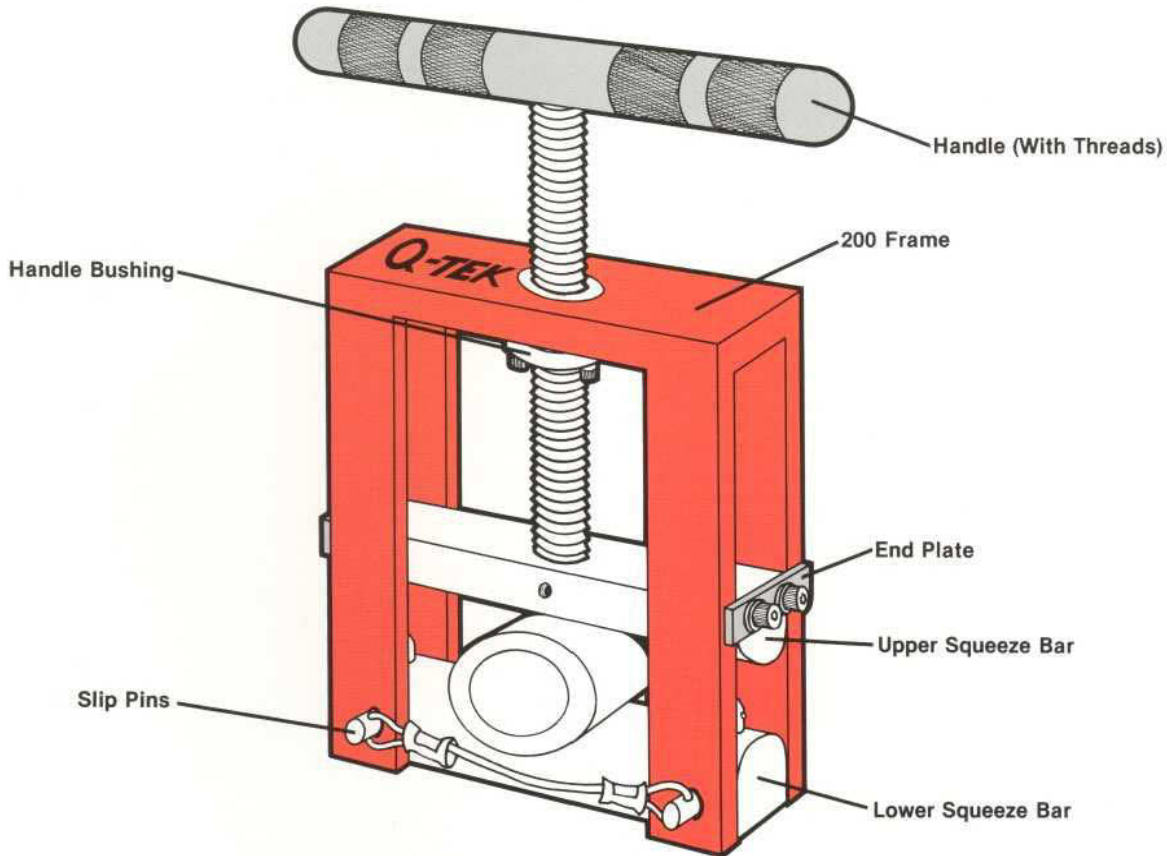

PIPE CHOKE™ MODEL 200

Q-TEK's compact squeeze-off tool, the Model 200 Pipe Choke, is designed for use with ½" - 2 IPS polyethylene pipe. Built for durability and ease of operation, the Model 200 weighs only 7 lbs.

Stop blocks are available for all polyethylene pipe sizes for proper squeeze-off and minimal pipe damage.

Stainless steel marker and rounding clamps also are available to aid in support and identification of squeezed areas.

Grounding straps are available for all Pipe Choke machines.
